## ENVIRONMENTAL POLICY STATEMENT

### **1. General statement**

Jolly Good Causes (JGC) is a professional and environmentally conscious organisation, which acknowledges the impact that our operations may potentially have on the environment.

### **2. Aims and objectives**

The clear objective of JGC is to minimise any impact on the environment by:

- allocating suitable and sufficient resources and by implementing appropriate systems so that all legal duties are met
- taking steps to reduce our impact on the environment by cutting the amount of energy the company uses wherever reasonably practicable
- planning and organising deliveries and staff travel, so that road travel is kept to a minimum
- investing in low-energy technology and, if practicable, renewable energy technology
- preventing pollution, reducing waste and ensuring, wherever practicable, that measures are implemented to protect and preserve natural habitats, flora and fauna
- considering the effects that our operations may have on the local community
- promoting environmental awareness amongst our suppliers, contractors and partners by implementation of operational procedures
- ensuring effective and expedient incident control, investigation and reporting
- identifying that if the company doesn't have staff with the appropriate levels of competence in-house, it will seek competent advice from an experienced environmental professional
- identifying all environmental legislation that applies, both directly and indirectly, to the company's activities
- establishing a system to monitor and report on the outcomes of this policy
- reviewing and updating this policy on an annual basis

### **3. Commitment**

Joanna Barr (Director) will take overall responsibility for ensuring that this policy is fully adopted into the Company. All employees and sub-contractors are expected to co-operate and assist in the implementation of this policy. This includes co-operating with management on any environment-related matter.
